Rockness

EMacR has visited all houses from Drumashie Lodge to Clune Farm and has received no objections to the proposed extension of music in the Bestival area until 3am instead of 2am. EMacR has advised the licensing authority that there appears to be little problem with the extension of one hour.

EMacR presented to new layout for 2011 and it shows all lorries will be entering the Rockness site outwith the village – thus lessening the disturbance and noise problem to villagers.
